

MEDAL ORDER FORM

Fill this form out completely and accurately. Order in a timely manner, please. We don't want to have anyone panicking last minute. We are not responsible for late orders, so allow plenty of time for shipping and/or pick up of medals and certificates. Humor us with the details. We know a lot of this information already, but just need to double check everything for our records...

Remember, ONLY students who have hit 100 miles receive a medal. Count carefully. ☺
Thank you!!
